TRUCK SPARE PARTS

All Spare Parts From One Point

Market Istanbul Automotive, Turkey's premier global manufacturer, wholesaler, and supplier of European truck, bus, and trailer spare parts for the independent automotive aftermarket. With an unwavering commitment to excellence, we take pride in offering an extensive range of high-quality spare parts catering to renowned brands such as Mercedes, MAN, Volvo, Scania, DAF, Renault, Iveco, and many others.

Our 'one-stop shop' approach ensures that you find everything you need under a single roof. Boasting a vast inventory of over 50,000 different OE quality spare parts, we continually expand our product range to meet the evolving needs of our customers.

Not just confined to Turkey, we proudly support the 'Made in Turkey' initiative by exporting our products to more than 80 different countries and actively exploring new regions for further growth. As a company, we are driven by a passion for quality, reliability, and customer satisfaction.

Join the ranks of satisfied customers who trust us for our commitment to excellence and our dedication to delivering the best in the automotive aftermarket.

CONSTRUCTION EQUIPMENT PARTS

Market Istanbul Automotive takes pride in offering an extensive range of spare parts for leading brands such as CAT, JCB, Komatsu, Volvo, and more. With over 60,000 high-quality parts in our inventory, we are dedicated to providing reliable solutions to meet the diverse needs of the industry.

Operating on a global scale, we currently distribute our premium spare parts to over 80 countries worldwide. From our headquarters in Konya & Istanbul, Turkey, we have built a network that ensures our clients receive top-notch products regardless of their location.

For a closer look at our product range and to discover how Market Istanbul Automotive can meet your specific needs, we invite you to visit our website.

MARINE ENGINE PARTS

Market Istanbul Automotive offers engine spare parts for the MAN marine engines such as piston, liner, valve, engine block, crankshaft, cam shaft, gasket kits, oil cooler, oil pump and many other parts.

SERVICE & GARAGE EQUIPMENT

GARAGE TECHNIC, your trusted partner in the garage equipment industry. We take pride in our legacy as a leading manufacturer of Industrial Parts Washing Machines. Our journey began with a commitment to superior quality, and our initial product quickly gained significant market share, earning acclaim for its excellence. Today, our Industrial Parts Washing Machines are exported to numerous countries, a testament to the trust and satisfaction of our global clientele.

Driven by a passion for innovation, we have expanded our product range to include a diverse array of Service & Garage Equipments. From services and garages to tire shops and workshops, GARAGE TECHNIC provides cutting-edge machines and equipment to meet the evolving needs of the automotive industry.

As we aim for a leading position on the international market, we invite you to experience the excellence and reliability that define GARAGE TECHNIC. Join us on this journey as we continue to shape the future of garage equipment with passion, innovation, and a steadfast commitment to quality.
